## Education

**The Art Institute 2012-2016**
**Bachelor of Computer Science in Web Design & Programming**

## Work Experience

**California Department State Technology**
**ReactJS Developer 2020 – Present**

- Worked with other front-end developers on the Digital Vaccine Record that allows California residents to obtain a digital copy of their COVID-19 card.
- Built front end UI/UX from design specs in Figma mocks using ReactJS.
- Utilized various ReactJS lifecycle methods using hooks local state & redux state management with sagas.
- Wrote unit tests in Jest/Enzyme for testing various functions within the components based on business requirements as well as increasing code coverage.
- Pushed updates to CI/CD pipelines in Azure while following AGILE best practices.

**SuiteAmerica Corporate Housing**
**Web Developer 2016 – June 2020**

- Consumed NodeJS back end restful API's using ReactJS and displaying relevant data to end user.
- Developed reusable components while documenting their processes to other developers.
- Pushed updates to relevant project repositories using Git and meeting quarterly sprints.
- Wrote documentation around applications to train other developers how to use it.

## Professional Work

**Mountain Manor Website**
**Lead UI/UX Designer/Full Stack Developer**
mountainmanorskillednursing.com

**Richmond Post-Acute Care**
**Lead UI/UX Designer/Full Stack Developer**
richmondpostacute.com

**Bowinkles**
**Lead UI/UX Designer/Full Stack Developer**
bowinklesdrivethru.com

## Skills

- HTML, CSS, SCSS
- JavaScript
- PHP – PDO
- ReactJS - Redux
- NodeJS – ExpressJS
- SEO, Accessibility
- Git, GitHub
- IDE – VSCode, Visual Studio
- Responsive, Bootstrap/Material-UI, Ant Design
- Adobe Suite (Photoshop, Illustrator, After Effects, XD)
- Browser Developer Tools

## Familiarity

- MYSQL & SQL Server
- AWS & Azure CI/CD
- WordPress
- API calls
- C# .NET MVC
- Webpack & NPM
- NGINX, IIS & Apache Server

## Aptitudes

Pick up new applications with ease. Great customer service skills and communication.

Extremely friendly, optimistic and strong in time management tasks.
